RE: United States v. AVX Corp.  
Civil No. 83-3882-Y (D. Mass.)

Dear Mr. Galvani:

Some time ago Ellen Mahan of the Department of Justice indicated to me that you had expressed a willingness to provide EPA with split portions of the samples of sediment and water taken by Aerovox from the Acushnet River Estuary and sent to General Electric Company for analysis. I would like to arrange to have such split portions sent to EPA's Narragansett Laboratory at the following address:

U.S. EPA  
Environmental Research Laboratory/ORD  
South Ferry Road  
Narragansett, RI 02382

Attention: Richard Garness

If you have any questions, please contact either myself or John Re in this office at (617) 565-3455, or Bill Brighton at the Department of Justice. (I will be on vacation from June 29 to July 10).

Yours sincerely,

Charles Bering  
Assistant Regional Counsel
